You Move, We Care!!

WHO ARE WE?

We love our job and it shows. With years of experience in the sector with all aspects of domestic and export removals. We provide local and international services and pride ourselves on our professionalism and reputation as attested by the many testimonials we have received from private clients, banks, and major companies. Also, we have experience in antique packing, storage, and shipping.

Annex Relocations is a company based in the UAE, which over many years has gained extensive experience in removals and transport services all over the world. Our team consists of dedicated professional staff to handle removals. We are here to move helpful to you effortless and enjoyable.

LISTEN TO YOU TO MEET YOUR NEEDS:

Each customer is unique. That's why we customize each move to suit your specific needs. International moving, to any destination, we will listen to your requests and prepare a personalized plan.

Going abroad is always a challenge. This means changing housing, country, and work, but also moving away from friends and support networks. You may even need to learn a new language.

- It is in this delicate context that ANNEX takes up these challenges every day with great success, judging by the satisfaction of our customers (97.5% of them agree to move again with us and recommend us to those around them).
- With years of experience in the international world, Annex is today a leader in export-oriented companies, institutions, and individuals.
- Thus, whatever your mode of transport (road, air, or sea), our group monitors your move worldwide and door to door.
- Our group's numerous accreditations throughout the world ensure that we can provide the same quality service under the Annex guarantee.

WE OFFER MOVING SERVICES FOR EXPATRIATES AND INDIVIDUALS!

Whether it is a move in GCC or on another continent, whether the transport is done by sea, by plane, or by road, our team of advisers is at your service to accompany you and answer your needs. Our goal is your complete satisfaction. It is our way of being and we are proud of it.
